A NOTE FROM YOUR FCHA OFFICERS AND DIRECTORS:

We're excited to announce that our FCHA Winter Circuit held December 28 through the 31st was a huge success. The new four-day format worked well, with the days ending at a reasonable hour, giving everyone a chance to show their horses and then get a good dinner and visit with each other. There were lots of cookouts and bonfires and socializing going on. It was good to see all the classes with lots of entries in them, and everyone enjoying their horses and getting to visit with their friends, too. Having the stalls prepaid also turned out to be a good idea, with all 160 stalls being used. Claudia, our Secretary, ran a friendly and efficient office, and Jeremy, our Announcer, kept the show running smoothly. Those two make a great team and we appreciate them.

A huge thank you to the following people: Cindy and John Ingram for doing a great job organizing the stall assignments, we couldn't do it without you. Also, Danny Carbaugh, for arranging for and setting up the generator and hookups for the RVs in the field and the lighting of the stalls in the tents; Ted and Nancy Turner, for donating the use of the generator for the RVs; Billy Kidd, for setting up the mechanical flag and the use of his generator for the circuit; and to Waylon Overstreet for the use of the mechanical flag. The facility was in top condition, thanks to Dusty Bass, who is now in charge of the Lady Lake Equestrian Center. Whenever we needed anything, Dusty and his staff were quick to get it done.

The FCHA 2011 Year End Awards Banquet turned out great, thanks in great part to the weather cooperating with us! Thank you to Lisa and Steve Addison for helping with the decorating and last minute details, also Oakwood Grill for serving amazing food for us. Our MC, Cindy Ingram, kept the crowd entertained. Thanks Cindy for taking on that task! The saddle drawing was exciting, as always, with the winners being Brittany Overstreet and Ryan Samko. Thank you to Regan, Emma, and Abbie for helping draw those winning tickets! Our turnback help, who spend two days every show weekend of the year on their untiring horses in the arena helping everyone, were thanked from all the FCHA Exhibitors by receiving new straw hats from Billie's Hats, our vendor from Pennsylvania. Thank you, Billie Lee, for coordinating that effort.

The Rebecca Clark Scholarship was presented by Jamie Sokol, who gave a heart-warming speech about this year's very deserving recipient, Ryan Samko! Another annual award was given out to some very special people, Kathy and Ron Marlowe, who won the FCHA Sportsmanship Award for 2011. I can tell you from personal experience, there are always refreshments waiting at the Marlowe's trailer after the show for those who are ready for some fun and relaxation!

We are happy to announce that one of our favorite FCHA members, Holly Samko, is out of the hospital and at home and getting better each day. What a relief! For those that would like to drop a note of encouragement to Holly and her family, the Samko's address is: 9131 NW 160th Avenue, Morriston, FL 32668.

The 2012 show year is off to a great start. The next cutting is just around the corner, February 4th and 5th. We hope to see everyone there and showing, working hard towards winning a first place year-end award and a chance at winning a saddle. There are special people each year who, through their generosity, make our year-end awards the best anywhere, and those are our sponsors. Please take a minute and thank those people and patronize their businesses. FCHA has all levels of sponsorships. If you would like more information, see page 3 or contact one of our directors.
